Understanding the features, benefits, and opportunities connected to 13825 west business center drive green oaks il is essential for prospective investors, business owners, and commercial tenants. This article explores the location's characteristics, amenities, transportation options, and local business environment. Below is a detailed outline of the topics covered.

- Location and Accessibility
- Commercial and Business Infrastructure
- Local Economy and Business Environment
- Transportation and Connectivity
- Nearby Amenities and Services
- Real Estate Market and Leasing Opportunities

Location and Accessibility

The address 13825 west business center drive green oaks il is strategically situated within the village of Green Oaks, a suburban community in Lake County. This location benefits from proximity to major transportation corridors such as Interstate 94 and U.S. Route 45, allowing easy access to Chicago and neighboring suburbs. Its placement within a designated business center highlights its importance as a commercial hub designed to attract a variety of industries. The site's geographical advantages make it an appealing choice for businesses that require both regional reach and local accessibility.

Geographical Positioning within Lake County

Green Oaks is centrally located in Lake County, providing a balance between urban convenience and suburban tranquility. The location at 13825 west business center drive is

positioned near other key commercial zones, facilitating business interactions and networking opportunities. This geographic positioning supports a robust commercial ecosystem that fosters growth and stability.

Accessibility for Clients and Employees

One of the main benefits of 13825 west business center drive green oaks il is its easy accessibility for both clients and employees. The site is served by well-maintained local roads and is within a short drive of several major highways, ensuring efficient commuting options. Public transportation options, while limited, are supplemented by nearby park-and-ride facilities, enhancing convenience. This accessibility contributes significantly to the location's attractiveness for business operations.

Commercial and Business Infrastructure

The infrastructure supporting 13825 west business center drive green oaks il is designed to meet the needs of contemporary businesses. The area encompasses modern office buildings, industrial units, and retail outlets, creating a comprehensive business environment. Facilities in this location are equipped with essential utilities, high-speed internet connectivity, and ample parking spaces to accommodate diverse business activities. The infrastructure supports scalable operations, making it suitable for startups as well as established corporations.

Office and Industrial Facilities

At 13825 west business center drive green oaks il, commercial properties feature flexible layouts and up-to-date building standards. These properties cater to various industries including technology, manufacturing, logistics, and professional services. The availability of customizable office spaces and industrial units ensures that businesses can tailor their environments to specific operational requirements.

Technological and Utility Services

Reliable technological infrastructure is a cornerstone of the business center. High-speed internet and advanced telecommunication services are standard, supporting digital operations and communications. Utilities such as electricity, water, and waste management are maintained to high standards, ensuring uninterrupted business functions. These services are critical in supporting the productivity and efficiency of tenants at 13825 west business center drive green oaks il.

Local Economy and Business Environment

The local economy surrounding 13825 west business center drive green oaks il is diverse and resilient, with a mix of industries contributing to sustained growth. The business

environment is characterized by a supportive community, access to skilled labor, and a proactive local government that encourages economic development. This environment fosters innovation and competitiveness among businesses operating in the area.

Industry Sectors and Key Employers

Several key industry sectors thrive near 13825 west business center drive green oaks il, including manufacturing, healthcare, retail, and professional services. The presence of established employers and a growing number of small to medium enterprises creates a dynamic market. This diversity enhances economic stability and presents opportunities for collaboration and partnerships.

Support Services and Business Resources

Businesses at this location benefit from a range of support services including financial institutions, legal firms, marketing agencies, and consulting services. These resources provide critical assistance in business operations, growth strategies, and regulatory compliance, contributing to a favorable business climate at 13825 west business center drive green oaks il.

Transportation and Connectivity

Transportation infrastructure is a key factor in the functionality of 13825 west business center drive green oaks il. This location offers multiple transportation options that facilitate smooth logistics, employee commuting, and customer access. Efficient connectivity enhances operational efficiency and helps businesses maintain competitive advantages.

Highway and Road Network

The proximity to Interstate 94 and U.S. Route 45 ensures rapid vehicular access to Chicago, Milwaukee, and other major metropolitan areas. The well-maintained road network supports heavy commercial traffic, making it an ideal location for distribution and logistics companies. Local roads connecting the business center to residential neighborhoods also contribute to convenient employee commutes.

Public Transportation Options

While Green Oaks is primarily a suburban village with limited direct public transit, nearby Metra rail stations and bus routes provide alternatives for commuters. Park-and-ride facilities near the area support transit users, making 13825 west business center drive green oaks il accessible without relying solely on personal vehicles.

Nearby Amenities and Services

The business environment at 13825 west business center drive green oaks il is complemented by a variety of nearby amenities and services that support daily operations and employee well-being. These amenities contribute to a convenient and attractive location for businesses and their workforce.

Dining and Retail Options

The vicinity offers numerous dining establishments ranging from quick-service restaurants to full-service dining, accommodating diverse tastes and schedules. Retail services including banks, convenience stores, and specialty shops are also readily accessible, providing practical conveniences for businesses and employees alike.

Healthcare and Professional Services

Access to healthcare facilities and professional services such as medical clinics, dental offices, and wellness centers is an important feature of the area. These services enhance quality of life for employees and provide essential support for businesses located at 13825 west business center drive green oaks il.

Real Estate Market and Leasing Opportunities

The real estate market at 13825 west business center drive green oaks il is characterized by competitive leasing options and a range of property types catering to different business needs. The availability of commercial spaces supports business growth and flexibility, making it an attractive location for expanding enterprises.

Commercial Property Types

The market includes office spaces, industrial warehouses, and retail units, each designed to meet specific business requirements. Properties are often equipped with modern amenities and customizable layouts, allowing tenants to create efficient work environments tailored to their operations.

Leasing Terms and Investment Potential

Leasing agreements in this area tend to be competitive, with terms that accommodate various business sizes and durations. The steady demand for commercial spaces ensures a stable investment climate, making 13825 west business center drive green oaks il a viable option for investors and business owners seeking long-term growth.

- Strategically located commercial hub in Green Oaks, IL

- Access to major highways and regional transportation
- Modern office and industrial facilities with advanced infrastructure
- Diverse and supportive local business environment
- Proximity to amenities including dining, retail, and healthcare
