Overview of Franciscan Physician Network Schererville Family Health Center

The Franciscan Physician Network Schererville Family Health Center serves as a cornerstone for quality healthcare within the Schererville area. This facility is part of the extensive Franciscan Physician Network, known for providing accessible, reliable, and comprehensive medical care. The family health center focuses on delivering primary care services that encompass prevention, diagnosis, and treatment of various medical conditions. It aims to foster long-term patient relationships through personalized care plans and ongoing health management.

Mission and Vision

The mission of the Franciscan Physician Network Schererville Family Health Center is to provide compassionate, high-quality healthcare that promotes wellness and improves the quality of life for all patients. Their vision aligns with the broader Franciscan values of service, community, and holistic

care, emphasizing both physical and emotional health.

Facility and Amenities

The center is equipped with modern medical technology and comfortable patient facilities designed to enhance the healthcare experience. Patients benefit from streamlined appointment scheduling, electronic medical records, and a welcoming environment aimed at reducing stress associated with medical visits.

Comprehensive Services Offered

The Franciscan Physician Network Schererville Family Health Center offers a wide array of healthcare services to meet the needs of individuals and families. These services are tailored to promote wellness, manage chronic conditions, and address acute health issues.

Primary Care Services

Primary care at the center includes routine check-ups, immunizations, health screenings, and management of chronic diseases such as diabetes, hypertension, and asthma. The medical team emphasizes preventive care to detect and mitigate health problems early.

Specialty Care and Referrals

In addition to primary care, the center coordinates specialty services within the Franciscan Physician Network. Patients requiring more specialized treatment can access cardiology, endocrinology, orthopedics, and behavioral health services through seamless referrals.

Women's Health and Pediatric Care

The health center provides focused care for women's health needs, including gynecological exams, prenatal care, and family planning. Pediatric care services cater to infants, children, and adolescents, supporting growth, development, and immunization schedules.

Chronic Disease Management

Comprehensive management programs are available for chronic conditions to improve patient outcomes and quality of life. This includes education, medication management, and regular follow-up visits to monitor progress.

Experienced Medical Staff and Specialists

The Franciscan Physician Network Schererville Family Health Center is staffed by a team of experienced physicians, nurse practitioners, physician assistants, and support staff dedicated to providing expert medical care. Their collective expertise ensures patients receive accurate diagnoses and effective treatment plans.

Physicians and Providers

The providers at the center are board-certified and bring years of clinical experience in family medicine and internal medicine. They stay current with the latest medical advancements to deliver evidence-based care tailored to individual patient needs.

Support Staff and Care Coordination

Beyond physicians, the center employs skilled nursing staff, medical assistants, and care coordinators who facilitate patient education, appointment management, and follow-up care. This team approach enhances continuity and quality of care.

Patient-Centered Care Approach

At the core of the Franciscan Physician Network Schererville Family Health Center's philosophy is a strong commitment to patient-centered care. This approach ensures that healthcare delivery respects and responds to individual patient preferences, needs, and values.

Personalized Treatment Plans

Every patient receives a customized care plan developed through collaborative communication between the patient and healthcare providers. This personalization supports better adherence to treatment and improved health outcomes.

Emphasis on Communication and Education

The center prioritizes clear communication to empower patients with knowledge about their health conditions, preventive measures, and treatment options. Educational resources and counseling sessions are part of routine care to promote informed decision-making.

Integration within the Franciscan Physician Network

The Schererville Family Health Center benefits from being part of the larger Franciscan Physician Network, which enhances its capabilities and resource availability. This integration supports comprehensive care coordination and access to a wide range of medical specialties and services.

Seamless Care Coordination

Patients experience smooth transitions between primary care and specialty services within the network. Electronic health records and coordinated scheduling reduce delays and improve communication among healthcare providers.

Access to Advanced Medical Services

Being part of the Franciscan Physician Network gives patients access to advanced diagnostics, treatment options, and state-of-the-art facilities that might not be available in standalone centers.

Patient Resources and Support

The Franciscan Physician Network Schererville Family Health Center offers numerous resources to support patients throughout their healthcare journey. These services are designed to enhance patient experience and facilitate effective healthcare management.

Appointment Scheduling and Patient Portal

Patients can easily schedule appointments and access health information through an online patient portal. This platform allows for viewing test results, prescription refills, and direct communication with healthcare providers.

Insurance and Billing Assistance

The center provides guidance on insurance coverage, billing processes, and financial assistance programs to help patients navigate healthcare costs efficiently.

Community Health Programs

In addition to clinical services, the center participates in community health initiatives such as wellness screenings, vaccination drives, and educational workshops aimed at promoting public health.

Location and Accessibility

Conveniently located in Schererville, Indiana, the Franciscan Physician Network Schererville Family Health Center is easily accessible to residents in the region. The center is designed to accommodate patients with various mobility needs and offers ample parking facilities.

Transportation and Parking

Located near major roadways, the center is accessible by car and public transportation. Onsite parking is available to ensure a hassle-free visit for patients and their families.

Hours of Operation

The center maintains flexible hours to accommodate working individuals and families, including extended weekday hours and select weekend availability for urgent care needs.

- Comprehensive primary and specialty care services
- Experienced and board-certified medical professionals
- Patient-centered and personalized healthcare approach
- Integrated care within the Franciscan Physician Network
- Accessible location with ample parking and convenient hours
