The center is committed to rescuing animals from neglect, abuse, and abandonment, offering them a second chance at life. Its mission aligns with the core values of the Idaho Humane Society, emphasizing compassion, responsible pet ownership, and community involvement.

History and Establishment

The Dorman location was established to expand the reach of the Idaho Humane Society and address the increasing demand for animal shelter services. Since its inception, the facility has grown in capacity and resources, enabling it to serve more animals and families effectively. The history of the Dorman

branch reflects a dedication to continuous improvement and adaptation to the evolving needs of the community and its animal population.

Mission and Vision

The mission of Idaho Humane Society Dorman is to provide humane care and protection for animals while promoting education and advocacy to ensure responsible pet ownership. The vision centers on creating a community where every animal is valued and cared for, and all pets find loving, permanent homes. This vision drives the daily operations and long-term strategies of the Dorman shelter.

Services Offered at Idaho Humane Society Dorman

Idaho Humane Society Dorman provides a wide range of services designed to support animal welfare and community engagement. These services cater to the needs of animals as well as prospective pet owners, volunteers, and donors. The comprehensive approach ensures that animals receive proper care and that the community is well-informed and involved.

Animal Shelter and Care

The primary service at the Dorman location is sheltering animals, including dogs, cats, and small pets. The facility offers a safe and clean environment with access to veterinary care, nutrition, and behavioral support. Animals are carefully monitored to ensure their health and well-being throughout their stay.

Spay and Neuter Programs

To address overpopulation, Idaho Humane Society Dorman runs spay and neuter initiatives that help control the pet population responsibly. These programs are available to local pet owners at affordable rates, contributing to long-term community health and reduced shelter intake.

Lost and Found Services

The Dorman branch assists the community with lost and found pet services, helping reunite lost pets with their owners. This service includes maintaining a database of found animals and providing guidance on recovery efforts.

Adoption Process and Requirements

Adopting a pet from Idaho Humane Society Dorman involves a structured process designed to ensure successful matches between animals and adopters. The process is transparent and prioritizes the welfare of both the pet and the adopter.

Adoption Application and Screening

Prospective adopters must complete an application detailing their lifestyle, experience with pets, and home environment. This screening helps staff recommend pets that fit the adopter's situation and ensures responsible pet placement.

Meet and Greet

After application approval, adopters are encouraged to meet potential pets to foster a connection and assess compatibility. Staff members provide guidance on pet behavior, care needs, and any special considerations.

Finalizing the Adoption

Once a match is confirmed, adopters complete the necessary paperwork and pay adoption fees that support the shelter's operations. The Dorman location offers post-adoption support to help new pet owners transition smoothly.
