Students must submit a complete FAFSA for the 2023–2024 academic year to be considered. Additionally, some students may be selected for verification, requiring submission of additional documentation to confirm eligibility.

Enrollment Status and Satisfactory Academic Progress

Financial aid disbursement depends on the student's enrollment status, such as full-time or part-time, as well as maintaining satisfactory academic progress (SAP). Students must be enrolled in eligible courses and meet minimum GPA and credit completion standards to continue receiving aid.
