Overview of Synchrony Financial Human Resources

Synchrony Financial human resources serves as the backbone for managing the company's most valuable asset—its employees. This department oversees a broad spectrum of HR functions designed to attract, retain, and develop talent while maintaining a positive work environment. The HR team collaborates closely with leadership to align human capital strategies with Synchrony's business goals, ensuring that workforce capabilities support organizational growth and innovation. Core responsibilities include strategic planning, employee relations, performance management, and organizational development, all of which contribute to sustaining Synchrony Financial's competitive advantage in the financial services sector.

Recruitment and Talent Acquisition Strategies

Recruitment within Synchrony Financial human resources is a strategic process focused on identifying and securing top-tier talent that aligns with the company's culture and objectives. Synchrony employs a multi-channel approach to talent acquisition, leveraging digital platforms, partnerships with educational institutions, and industry networking to reach a diverse candidate pool. The recruitment process emphasizes candidate experience, thorough screening, and competency-based assessments to ensure high-quality hires. Additionally, the HR team is committed to proactive workforce planning to anticipate future talent needs and mitigate skill gaps.

Candidate Sourcing and Screening

The HR department utilizes advanced sourcing techniques, including social media recruiting, employee referrals, and targeted job postings. This enables Synchrony to attract a broad range of candidates with varying skills and backgrounds. Screening processes involve structured interviews, behavioral assessments, and skills evaluations to match candidates with the right roles effectively.

Onboarding and Integration

Once selected, new hires undergo a comprehensive onboarding program designed to integrate them smoothly into Synchrony's culture and operational practices. This includes orientation sessions, mentorship opportunities, and ongoing support to accelerate employee engagement and productivity from day one.

Employee Development and Training Programs

Synchrony Financial human resources prioritizes continuous learning and professional growth through a variety of development initiatives. These programs are tailored to enhance employee skills, leadership capabilities, and career advancement opportunities. The HR team collaborates with business units to identify training needs and deliver customized learning solutions, both in-person and via digital platforms.

Leadership Development

Leadership programs focus on cultivating future leaders through targeted training, coaching, and experiential learning. Synchrony invests in high-potential employees to prepare them for critical roles, ensuring sustained organizational leadership and succession planning.

Skill Enhancement and Compliance Training

Employees have access to a broad range of courses designed to improve technical competencies, regulatory knowledge, and soft skills. Compliance training is mandatory and regularly updated to reflect changes in financial regulations and company policies, supporting a culture of integrity and accountability.

Compensation, Benefits, and Rewards

Synchrony Financial human resources administers competitive compensation packages and comprehensive benefits designed to attract and retain top talent. The HR team conducts regular market analyses to ensure salary structures remain competitive and equitable. Benefits programs include health insurance, retirement plans, wellness initiatives, and employee assistance programs, reflecting Synchrony's commitment to employee well-being.

Performance-Based Rewards

Performance management systems are integrated with compensation strategies to incentivize high performance and recognize individual and team achievements. Bonuses, stock options, and other reward mechanisms motivate employees while aligning their efforts with company goals.

Work-Life Balance Initiatives

To promote work-life balance, Synchrony offers flexible work arrangements, paid time off, and family support programs. These benefits contribute to employee satisfaction and retention by addressing diverse lifestyle needs.

Diversity, Equity, and Inclusion Initiatives

Diversity, equity, and inclusion (DEI) are core values embedded in Synchrony Financial human resources policies and practices. The HR department leads efforts to cultivate an inclusive workplace where diverse perspectives are valued and equity is prioritized. Synchrony implements targeted recruitment, employee resource groups, and ongoing education to foster a culture of belonging.

Employee Resource Groups and Community Engagement

Employee resource groups (ERGs) provide platforms for underrepresented groups to connect, share experiences, and influence company policies. Synchrony also partners with community organizations to support diversity initiatives beyond

the workplace.

Bias Mitigation and Inclusive Training

Training programs focused on unconscious bias, cultural competency, and inclusive leadership help employees and managers create a respectful and supportive work environment. These efforts are integral to Synchrony's commitment to social responsibility and workforce equity.

Technology and Human Resources Management Systems

Synchrony Financial human resources leverages cutting-edge technology and human resources management systems (HRMS) to streamline HR processes and improve data-driven decision-making. These platforms support recruitment, payroll, performance management, and employee self-service functionalities, enhancing operational efficiency.

HR Analytics and Reporting

Advanced analytics tools enable the HR team to monitor workforce trends, turnover rates, and employee engagement metrics. This data informs strategic planning and helps identify areas for improvement in talent management.

Employee Self-Service Portals

Self-service portals empower employees to manage personal information, benefits enrollment, and training registrations independently, increasing transparency and reducing administrative burdens on HR staff.

Compliance, Ethics, and Workforce Planning

Compliance with labor laws, financial regulations, and ethical standards is a fundamental responsibility of Synchrony Financial human resources. The department ensures all policies and practices adhere to legal requirements and internal codes of conduct. Additionally, strategic workforce planning aligns talent management with future business needs, supporting organizational resilience and adaptability.

Regulatory Compliance Management

Synchrony's HR team maintains up-to-date knowledge of employment laws and

financial industry regulations, conducting regular audits and training to mitigate risks and ensure adherence.

Strategic Workforce Planning

By analyzing market trends and internal workforce data, Synchrony Financial human resources develops long-term plans to address skill shortages, succession needs, and organizational changes, thereby safeguarding business continuity.

- Comprehensive talent acquisition and onboarding
- Robust employee development and leadership training
- Competitive compensation and benefits programs
- Commitment to diversity, equity, and inclusion
- Integration of advanced HR technologies
- Strict adherence to compliance and ethical standards
- Proactive workforce planning and analytics
