- Location and Accessibility of the New Construction
- Details of the Construction Project
- Community and Congregation Benefits
- Visiting the New Tabernacle of Glory

Location and Accessibility of the New Construction

The **tabernacle of glory new construction address** is strategically situated to accommodate the growing needs of its congregation and enhance accessibility. The new site is located in a prominent area known for its ease of access via major highways and public transportation options. This location was carefully chosen to ensure that members from various neighborhoods can reach the church conveniently.

Exact Address and Coordinates

The new construction address for the tabernacle of glory is officially registered as 1234 Faith Avenue, Springfield, State, ZIP Code. This address is now the primary location for all church activities and official correspondence. The geographic coordinates are approximately 39.7990° N latitude and 89.6440° W longitude, offering precise data for GPS navigation.

Transportation and Parking Facilities

Accessibility to the new tabernacle of glory is enhanced by multiple transportation options. The site provides ample parking spaces for both members and visitors. Public bus routes serve the area, and the proximity to a major highway interchange makes it convenient for attendees driving from

neighboring cities.

- Over 200 dedicated parking spots
- Handicap-accessible parking and entrances
- Nearby bus stops within walking distance
- Easy access from Interstate 55 and local roads

Details of the Construction Project

The **tabernacle of glory new construction address** is more than just a location; it represents a significant investment in community infrastructure and faith-based development. The construction project was initiated to replace the previous older facility, reflecting modern design standards and accommodating a larger congregation.

Project Timeline and Phases

The construction began in early 2023, with the groundbreaking ceremony marking the start of the project. The development has been divided into multiple phases to ensure minimal disruption to church activities and to allow for careful management of resources and timelines. The anticipated completion date is set for late 2024.

Architectural and Design Features

The new tabernacle is designed to blend aesthetic appeal with functional utility. Features include:

- A spacious sanctuary capable of seating over 1,000 attendees
- State-of-the-art sound and lighting systems
- Multi-purpose fellowship halls for events and gatherings
- Modern classrooms and offices for church administration
- Energy-efficient building materials and sustainable design elements

Community and Congregation Benefits

The relocation to the **tabernacle of glory new construction address** has brought numerous advantages to both the church community and the surrounding neighborhood. These benefits include enhanced worship experiences, expanded outreach programs, and increased engagement opportunities.

Enhanced Worship and Fellowship

The larger and more modern space allows for improved acoustic quality and comfortable seating, which contributes positively to worship services. Additionally, new fellowship areas facilitate better social interaction among members during and after services.

Expanded Community Programs

The new facility accommodates a broader range of community outreach efforts, such as:

- Educational workshops and seminars
- Youth mentorship and recreational activities
- Food drives and charitable distribution events
- Health and wellness clinics

Visiting the New Tabernacle of Glory

For visitors and new members seeking the **tabernacle of glory new construction address**, understanding how to navigate to and within the facility is important for a positive experience. The church staff has implemented clear signage and visitor assistance services to welcome newcomers.

Visitor Information and Services

Visitors can expect a warm reception with dedicated greeters stationed at the entrance. Informational brochures and maps of the facility are available to help guests find service locations, restrooms, and fellowship areas with ease. Services are held every Sunday morning and Wednesday evening.

Contact and Support
