Identity of Ruth's Mother-in-Law

The mother-in-law of Ruth, as described in the Bible, is Naomi. Naomi is a key figure in the Book of Ruth, which is part of the Hebrew Bible and the Christian Old Testament. She was the wife of Elimelech and the mother of Mahlon and Chilion, both of whom married Moabite women, Ruth and Orpah respectively. Naomi's identity is crucial to understanding Ruth's story because it is through Naomi's family and circumstances that the narrative unfolds. Naomi's character provides the foundation for Ruth's journey from Moab to Bethlehem and her conversion to the Israelite faith.

Genealogy and Background of Naomi

Naomi was originally from Bethlehem in Judah. Her family moved to Moab during a famine, which set the stage for the events involving Ruth. Naomi's background as a Bethlehemite is significant because it connects Ruth to the lineage of David and ultimately to the messianic line in Christian theology. This genealogy underscores the importance of Naomi's role not only as Ruth's mother-in-law but as a link in biblical history.

The Role of Naomi in Ruth's Story

Naomi's presence in the Book of Ruth is pivotal to the narrative's development. After the death of her husband and sons, Naomi decides to return to Bethlehem, urging her daughters-in-law to remain in Moab. Ruth's decision to accompany Naomi is a profound moment that highlights loyalty and faith. Naomi serves as a guide, mentor, and protector for Ruth throughout the story, influencing Ruth's decisions and future.

Naomi's Influence on Ruth's Faith and Decisions

Naomi's influence is evident when she advises Ruth on how to approach Boaz, a wealthy relative who eventually marries Ruth. Naomi's Transformation and Name Change

Upon returning to Bethlehem, Naomi asks to be called "Mara," meaning bitter, reflecting her grief and loss. This name change symbolizes her emotional state and the hardships she endured.
